He said being at the table with S.A. pupils who speak Spanish is a great opportunity as Spanish is what you want - by all means, he thinks you a very lucky girl.

Mr. Schendel has asked Helen to go with his family and he to see you some Sunday but - pop says no as it might be embarrassing and improper for you. I told him you would be home in two weeks. Hope you have written to Grandma.

Edith has not come home yet - is at Buddick's. John was away all Sunday so you can guess how he is. Pop says it is a Huddy boy that drives for Booth.

Helen and I went to Stephens with the car had the old oil taken out - and the squeaks out of the steering wheel.

How is Elsie? Does she get tired of waiting for the old maid like Helen used to. Give her my love can not think of anything more tonight - may add some in the

Enclosed your mail - morning Mother.
